

Evidence Meets Decisions Makers - Better Use of Evidence for Better Health

6 April 2017, Parterre Rialto, Basel, Switzerland

The Swiss TPH Spring Symposium 2017 invites public health policy makers, statisticians, global health specialists and students to review and discuss the current evidence on how the use of data and information by decision makers can be improved in the health sector. Topics will include:

- How decision makers make decisions
- What works in promoting the use of evidence
- Teaching and Training evidence
- Technology: from paper to electronics
- Methods: statistical modeling, systematic reviews and guidance development
