

Preparing PhD Students - Shaping Future Academic Leaders

Nino Künzli
Farewell Symposium

21 June 2023

13:00-17:00

Kreuzstrasse 2
4123 Allschwil, Switzerland

With ever-changing challenges and growing expectations, the question remains - how can we better prepare PhD students to become the academic leaders of tomorrow?

Nino Künzli, Prof. em.
*Swiss TPH and
University of Basel*

Join Swiss TPH, the Swiss School of Public Health, PhD students, and public health specialists to discuss the innovations and challenges of PhD programmes today, and celebrate Prof. em., Nino Künzli's energetic commitment to strengthening PhD education.

Topics will include:

- PhD education today and tomorrow
- Innovative graduate school models
- Prerequisites for careers in global health
- Becoming academic leaders in diverse settings
- PhD student panel discussion
