## What is UNLEASH?

A new, global initiative that brings together young leaders, experts, and entrepreneurs annually. Each year they will be tasked with developing innovative and practical solutions to the 17 UN Sustainable Development Goals

## The Vision

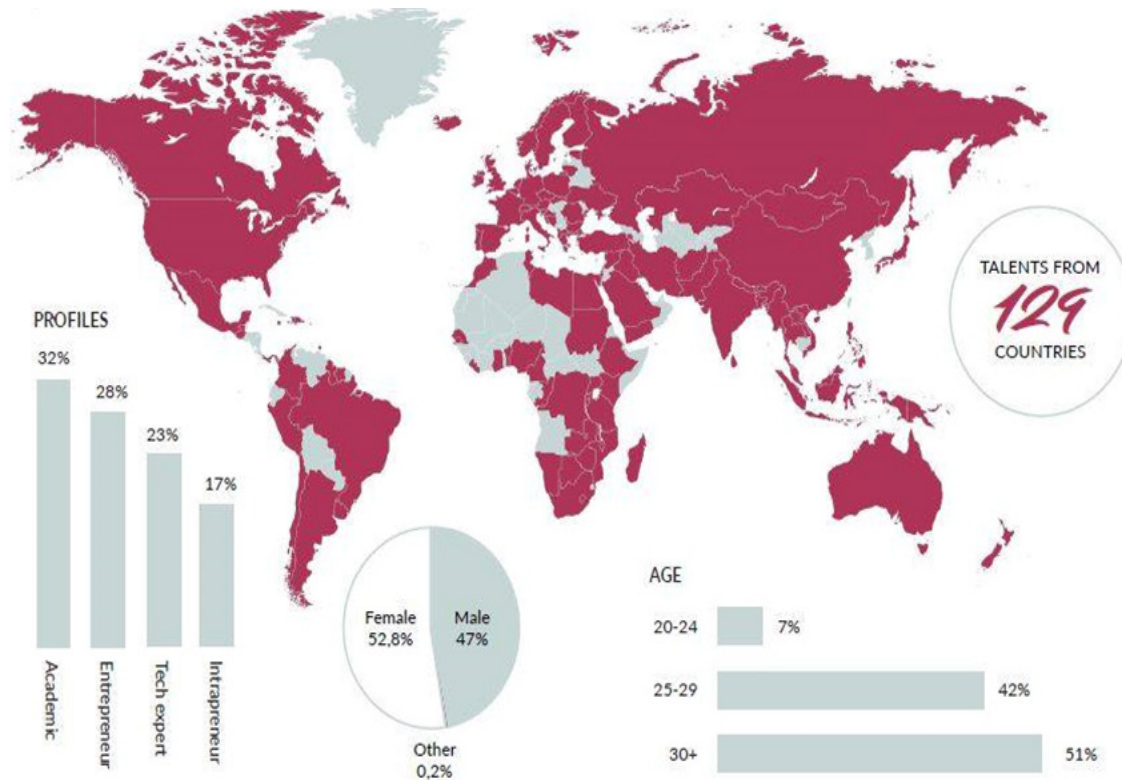

Build the world's leading platform for innovative, scalable solutions to the SDGs

## The Mission

Accelerate breakthrough solutions for the SDGs by engaging young talents in problem-solving and by providing the support needed for bringing the best ideas to life

FROM IDEAS TO

UNLEASH

ity #ABC

#UNLEASHstories

I moved to Kakuma refugee camp, Kenya to attend Salzburg Global Seminar because of my status as a refugee. It made a difference in terms of raising awareness.

DANIEL CHRISTIAN EMERIMANA, UNLEASH TALENT, KENYA

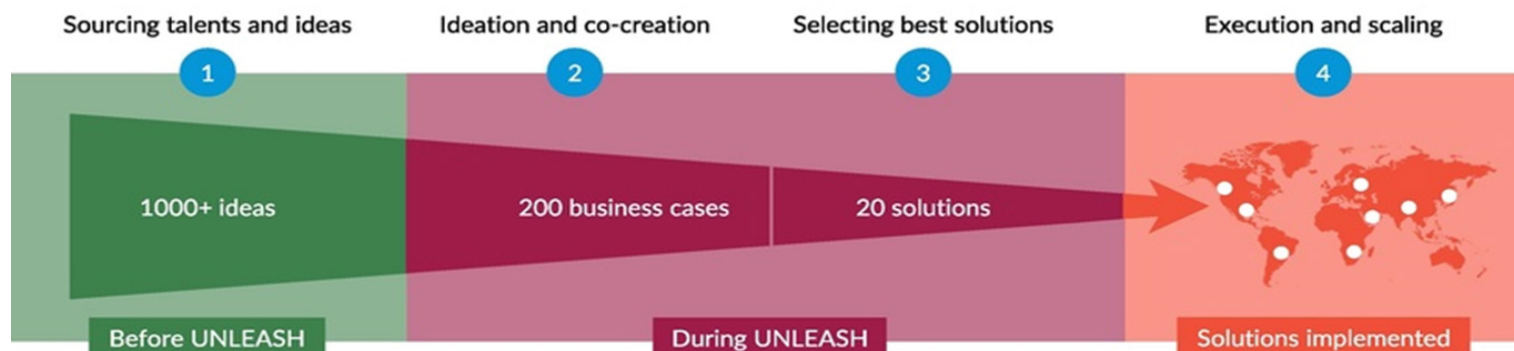

When I was younger, I dreamed about becoming a doctor and to help my community. When my dream of becoming a doctor came true, I suddenly became aware of the burden of non-communicable diseases like diabetes, obesity and asthma. I decided to tie the shoelaces on my sport shoes and use my status as a doctor to raise awareness.

MAMADOU SY, UNLEASH TALENT, SENEGAL

hi. The place was home to fatal diseases and to necessities. It was then I realised the need for an to clean drinking water was the first step.

## The UNLEASH SDG innovation model

How ideas are transformed into tangible solutions

### What is the output?

1,000 selected young top talents, and many more engaged

Better understanding of global challenges, and the SDGs among talents

The best and most actionable ideas get support for implementation

R&D partnership opportunities for companies and non-profits.
